

The Mayor met with Central Midlands on the Mayors Healthy Eating Incentive, a meeting is scheduled for August 28th at the Swansea United Methodist Church from 6 to 7:30 PM. There will be a dinner served, and child care provided. The Fitness phase is under discussion, which is the Bike and Path Way Walk project leading up to the old cabinet on highway 321 and down to highway 3 on September 18, 2018.

We had a second Crime Watch meeting at the Senior Citizens Center last week. Our speaker from Lexington spoke on self-defense and how to protect yourself. A self-defense class will start in Swansea, if there are any interest parties, please contact Councilwoman Linda Butler, or Melissa Williams.

Councilwoman Linda Butler went to the school board meeting and sponsored a Back to School Bash.

A reception was held for our resident deputy Frank McFalls at the Swansea First Baptist Church.

STREET MAINTENANCE

Carlton Moore reported on the activities for the month of June and July 2018.

WATER AND SEWER REPORT

The month of July we had a sewer overflow at our lift station on eight street. Water Loss from joint commission on the statistic sheet showed 28%. For the first 6 months cost was at \$15000.00 YTD. Bulk rate for 1 million AVG for the year is approximate \$1200.00 per million.

Rick presented 3 Proposals to identify leak detections for possible purchase within each packed. (1) A200 @ 16K (2) LC 2500 @20K (3) 5000 @3 days and 1000 a day after.

Purpose in recommendation, to buy our own equipment to make repairs to see how it affects our flow after a couple of days versus months.
