**BUDGET PUBLIC – HEARING**

The Swansea Town Council held its 20-21 Budget Hearing Teleconference call at 320 West Third Street, Swansea, SC 29160.

The meeting was called to order via Mayor Jerald Sanders at 4:00 P.M. He confirmed the media was notified and the agenda had been posted at Swansea Town Hall and the Police Department. We were then led in prayer by Councilwoman Linda Butler.

The Mayor indicated, only 1 individual contacted Town Hall to speak at the Budget Public Hearing. The person was Alberta Wasden, who is **Not a Resident** of the **Town of Swansea**. He allowed her 3 minutes to speak. She had a few questions.

- Since most budgets contain a line for actual expenditures. Why does this budget not have it? Mayor shared, he would yield to the town CPA.
- Does Council know what was spent in any particular line item?
- Does Council anticipate any changes to the budget?
